All tightened up? Find yourself drumming your fingers on chair arms? Put that energy to work at the keyboard of a Conn Organ and see how quickly the tenseness vanishes as you play your favorite tunes. You don't know how to play? In just minutes we'll have you playing the music you love, using the same techniques professional organists use. Come in... see, hear and play the Conn. Learn how easy it is to trade that tense and tight feeling for a lifetime of pleasure.
